## **Capital Conquest 2004**

The World Kobudo Federation hosts an annual symposium in Hull, Quebec every year at the beginning of November. This event usually draws anywhere from 1200 to 3000 martial artists to come and learn from some of the best instructors in the world. This year, the WKF has limited the space for this event to 500 participants. Okami Kai is very pleased to have one of the first chances to reserve spots for this event. Should you wish to attend Capital Conquest on Nov. 6&7 you should provide us with a \$50 refundable deposit in order to ensure you will be able to train. Cheques should be made to Okami Kai and we will submit one cheque for the whole amount to the WKF. As a bit of an incentive, Sensei has agreed to pay for each student's WKF annual membership in order for them to be allowed to get the special discount price of \$99.00. Last year's non-member price was \$129.00. This offer is only available until Aug. 31. It should be noted that children are more than welcome to attend Capital Conquest but parents must accompany them. They are more than welcome to tour Ottawa as their child trains.

## **Now Is The Time For Sign Ups**

August through October is our busiest three months of the year. We are constantly sending out renewals and registering new students. This tells us one thing for sure. Now is the time when people are thinking about studying Karate the most. Don't hesitate to mention to someone you know how much you love training at Okami Kai. They may try it for themselves.

Wolf Packs earn 100 points for every member they bring in. That person will also join their pack to earn more points. Our referral program also gives students \$50 off their next year's renewal for every person that they bring into the club.
