Volume 9, Issue 6

February 2008

Give Somebody A Life Changing Valentine!

All students are encouraged to take our special Valentine's Day coupons home to give to their friends and family members. Each one entitles the bearer to a free start up package consisting of a private class, a uniform, and a two week trial membership. People are usually charged \$99 plus taxes for this package.

Wolf Pack members may want to write their name on the back so they can get 100 points for each new member that comes in!

On Guard CDT Classes

Campsall Sensei will be teaching classes taken from the On Guard Control and Defensive Tactics Manual written by Kyoshi Kevin Blok. For people who are interested in obtaining their User Certifications, each class will cost \$30 for 12-16 hours of training. After a student has received their User certification, they can progress to a Basic Instructor Certification during a weekend course with Kyoshi Blok or they can just continue to attend Sensei Campsall's classes for the reduced rate of \$15 per class. Each class will consist of 90 minutes of training with the first class taking place on **Fri. Feb.21 from 7pm-8:30pm. You must register in advance for these classes.** Space will be limited.

Tax Receipts

We still have a few receipts that need to be picked up by those parents interested in applying for the government's child fitness tax credit. These will not be supplied to our younger students to give to their parents as we feel this is too important a document and we do not want them lost or left in the dojo or the changerooms. Parents must make arrangements to pick up their receipt(s) as soon as possible.

Still Space Left For Kyoshi!

There is only a small amount of room for Kyoshi Therien's adult seminar on **Fri. Feb.8** but a bit more space in the planned children's workshop. The children's workshop is at 5:30pm and is \$15 for Okami Kai and WKF members. The adult seminar will take place between 7 and 9pm and is \$30 for members.

We are also honoured to have three guests come from other Jiu-Jitsu schools who will be receiving their certifications to third, fifth, and seventh degree black belt in their martial art from Kyoshi Therien while he is visiting with us during the adult workshop.

This promises to be a memorable evening. Don't miss out!

Spring Kyu Belt Grading

Our next all kyu (colour) belt grading will take place at our Uxbridge dojo on **March 29 at 9:30am**. All students who are orange belt or higher and wishing to grade should fill out a request to grade form and hand it in to our office no later than March 18. All payments should be in by March 25. White and yellow belts will be given a letter from Sensei telling them when they are ready to be tested.

There will be no regular classes on this day.

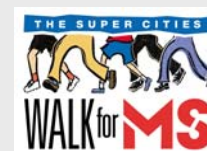

No More Dragons

After much thought and deliberation we have decided to stop providing dragon crests and embroidering dragons on our students dogi (uniforms). New students who fulfill their requirement of reciting the student creed in front of the class will now be given a black stripe on their belt to signify their achievement. This has no reflection as to our involvement with HBK Martial Arts and Wellness Centre and our Karate program is still affiliated with the school in Port Perry.

Help Team Okami Kai!

Okami Kai is once again recruiting a team for this year's MS Supercities Walk-A-Thon happening on **Sun. Apr. 13.**

Wolf Pack members should note that as we have in the past four years, any person who registers for the walk will be given 100 points for their pack. They will then be given an additional 50 points for every person they can convince to walk with them. Plus, anyone who beats Sensei's total will be given a point for each dollar over and above his amount. Full pledge sheets should also be shown to Sensei as he will match points for dollars on each full sheet too. This is a great opportunity to make some changes to this year's scores.

Don't forget that the person who beats Sensei by the highest amount will become Ichiban for the month of May. This includes adults!

If you would like to be a sponsor or a member of Team Okami Kai at the walk-a-thon you can visit the official website at
