## The French Panther Is Coming!

We are honoured to be able to host Kyoshi Alain Saily from France on Tuesday Feb. 1. He will be teaching two workshops. One will be for children of all ranks from 6pm until 7pm for a price of \$15 per person. The other will be for adults that will start at 7pm and continue until 9pm for \$25 per person.

Kyoshi Saily is one of the founders of the World Kobudo Federation. He is a true master in the field of martial arts and holds the rank of 7th Dan black belt

in Goshindo and Jiu-Jitsu. He has also acquired his 2nd Dan black belt in judo. He teaches judo in various clubs in Carignan, Charleville, Sedan, Vichy and Montargies in France. Beside his skills in judo, jiu-jitsu and goshindo, he also teaches sambo and Greco-Roman wrestling. He has participated at regional, national and international levels in wrestling.

Kyoshi Saily has been the Technical Director of the French Goshindo Federation since 1980. He is well known all over the world for his grace and elegant moves. He has studied gymnastics, dance and swimming in the past as well as other sport activities. He goes under the nickname "The French Panther" in Scandinavia.

Kyoshi Saily is a trainer for the Austrian Anti-Terrorist Police Force, the Canadian Police Force as well as the Police Force of Hungary. He has trained members of the gendarmerie of Cardignan and inspectors of the Narcotic Department of Switzerland in self-defense. Kyoshi Saily is also well known for his fantastic demonstrations in different martial arts shows all over the world.

## Valentine's Day Dinner

Our annual Valentine's Day dinner will take place on **Saturday February 12**. Any interested couples can reserve their spot now though so we can start telephoning locations for availability. We want to make sure that all Okami Kai couples wishing to join us are able to attend. Please note that this is not just for adult students as parents, friends, and other relatives of Okami Kai are also invited.

The location and exact time of the dinner will be announced as the date draws closer. At this point, we are planning on a time for dinner at 7:30pm and are currently looking for a location.
