T-shirt Classes Return

As we do every year, we will be offering a summer class schedule. This will be in effect starting **Monday June 28**. Mondays will be left unchanged. Tuesdays thru Thursdays will have one children's class for all levels at 7pm. There will be one Karate class at 9am and one 45 minute Bo class at 10am. The morning classes on Mondays, Wednesdays and Saturdays have been deemed as T-shirt classes. This means that you do not have to wear your gi jacket at these times but you must wear either a blank or club T-shirt. Shirts are not mandatory for male students who wish to just wear their gi jackets for regular uniform or T-shirt classes. Make sure you receive your copy of our schedule and we hope you have a safe and happy summer!

There will be no classes
Thursday July 1 or Saturday July 3
in honour of the Canada Day weekend

Karate Day Camp

We will be holding our summer day camp from **July 12 thru to July 16**. Children ages 6 and older can learn Karate in the mornings at the dojo and then participate in another fun activity in the afternoon. Afternoon activities last year included swimming, bowling and a tour of Northwood Zoo in Seagrave. Only those people who have provided the registration fee of \$145.00 per person tax included will be considered registered. Bag lunches for each day are required as well as suitable clothing for each activity. Gis can be worn for the morning Karate sessions but are not mandatory. **This camp is available to non-members too so spread the word!** Last year our first camp was a huge success and filled up very quickly. Don't wait too long to register this year.

Meet and talk with author and second degree black belt

Karate Grading / Picnic 2004

Our next grading will be taking place at **11am on Saturday June 26 at Senpai Rick Cook's farm in Leaskdale**. This grading is for all belt levels from both Okami Kai and HBK. Request to grade forms must be submitted by Tuesday June 15 and all payments must be in our office by Tuesday June 22 in order to be eligible. White and Yellow belts will receive a letter from Sensei telling them that they will be tested. No request to grade form is necessary. After the grading, we will be staying for a picnic. Please bring whatever you need to enjoy the day (lawn chairs, food, drinks, bathing suits, etc). This day is for anybody and should not be considered to be only for people grading.
