## Happy Mother's Day!

We are offering a special incentive to all of the mothers of club members. For this month only, you can get a free introductory course. If you register for a year, we will give you a free uniform! You also get a discount for already having a family member in the club. You have sat on the sidelines long enough. It is time to get on the mats and see what studying karate is really like. Learn something new and get some more quality time with your child! The mothers that are already in the club seem to be enjoying themselves, why wouldn't you? They are getting in better shape and reducing their stress while you are trying to do it all alone. Make the time for yourself. You deserve it.

**Remember that there will be no classes on Saturday May 22 or Monday May 24 due to the Victoria Day Weekend!**

## Change Rooms Are For Changing

Many of our younger students are socializing too much in the change rooms before and after classes. This becomes a problem for parents and other students. We are asking that all students get changed and exit the change rooms promptly and quietly. Parents should not have to wait longer than necessary to pick up their children after classes. Other students should also not have to deal with excessive noise coming from inside these rooms while they are trying to listen and concentrate in their own classes. If this problem is not controlled, we will be forced to make these rooms off limits to children and will be asking that all children be dressed and ready to train when they arrive for class. **WE REALLY DO NOT WANT TO TAKE THIS ACTION.**
