Learn Sai At Okami Kai

Our first sai class will be taught on Sat. Sept. 10 from 11:15 until 12pm. This is for any student orange or higher belt that has their own weapons to use during the class. Please speak to Sensei if you need to purchase. Blue or higher belts must be studying a weapon in order to grade for their next level. Students who have previously been training on bo staff may either switch weapons or learn both at the same time. There will be an extra charge for sai classes which will be handled the same as bo classes. Please speak to Sensei if more information is required.

New Weekday Morning Class Times

Please note that starting Sept. 7 all Monday and Wednesday morning classes will be taught at 10:30am instead of 9:15am. A weapons class has also been added to the schedule for Mondays at 11:30am. Both bo and sai will be taught during this class and is open to all students orange or higher belt. As with the Saturday weapons classes, there is an extra charge to participate. Please speak with Sensei for more details.
